9. Organization Profile with Objective & Major Activities:-

PREAMBLE:

“**SAMARTH**” is a Hindi Word, which means ‘competent’. We, who work at SAMARTH, feel that society has invested a lot in building our competence and we need to repay it by working with the under privileged. We believe in the people and their capability, which remains latent due to lack of opportunity and acceptability by the society.

The Mission of SAMARTH is to vitalize the “potential and power of the people”, working with them for them to move into main stream of society.

SAMARTH-The Professionals is a non-government, non profit organization, founded by individuals who have ample experience of working with voluntary organizations, government agencies, academic and research institutions and funding agencies in the Social Sector in August 1992. Organization engaged in three sector -**Research, Training and Direct Services**.

The organization is having its secretariat at B-83, Tagore Garden Extn., New Delhi-27 and manages projects through field offices, training centers, as well as facilities for running services which are allotted / licensed by MCD/ Govt. of Delhi.

The organization, strategically provide direct services in the un-served/ under serving area in selected urban slums of Delhi and cover the entire Delhi & other states through network of CBOs, NGOs, and civil society initiatives extending support and building their capacity, monitoring and developing human resources.

Over the years, SAMARTH has been able to served population fairly to enhance the literacy level in selected slums (27) through innovative Non-formal Primary Education Models, training modules and evaluation. It has prepared community to take up development issues and addressed them directly through ensuring access of facilities such as Health Centers, Educational Centers, formal primary & secondary schools and credit linkages, appropriate employment opportunity/self employment.

Aims and Objectives:

The aims and objects for which the society is established are as under:

- i. To identify, strengthen and develop local non-government agencies/ associations in urban slums / socio economically, educationally backward communities /areas for integrated development and enable them to continue and sustain.
- ii. Mobilize local resources to reconstruct slum / village into model one with optimum multiple welfare facilities for different age groups (Children, adolescents, youth, women and aged) with people’s active participation.

- iii. Organize awareness building program /social action program to control /reduce social problem / issue like illiteracy, ill-health, over population, drug abuses, alcoholism , dowry, child labour etc. with focus on urban slums / socio-economically backward /deprived areas / community, through sensitizing youth groups, women's groups etc.
- iv. Develop an information base on youth work, child and women development work, environment, social legal aids, Non-formal Education, Health Management Information System etc. for Development workers / activist groups.
- v. Promote professional competence in human service management and development through Training, Research Work and Publish matters collected or obtained from these forms as well as from National or International resources.
- vi. Provide support to the Projects / Program / Associations sponsored or funded by NGOS. Trusts / Government / Semi- Government Organization in project planning, monitoring and evaluation and follow-up programme.
- vii. To affiliate and take support with other societies. Institutions organizations, national or international, in the pursuit of all or any of the above objectives.
- viii. To provided for the training of selected persons for the purpose of the fulfillment and carrying of the objectives of the society.
- ix. Generally to take all necessary action decided upon by the Governing Body to attain the objectives of the society.
